Our Open Show Judge: Mr Stuart Lockwood-Brown (Shiloh)

I was born into a family with Bulldogs at the end of the second World War. The Bullies were from the then famous LEODRIDE kennels. As we lived in London these dogs used to guard me with their lives and woe besides anyone who came near me. As I grew up I became infatuated with Boxers and this fuelled my passion for the next 60 years. My first bitch produced 2 champions in her first litter and that was it I was hooked! Over the years with restricted breeding I have produced several good champions for ourselves and other exhibitors. Highlights have been BOB at Crufts in 1990 and then having the honour of judging the breed at Crufts 2016 (largest entry in the Working Group). I have also judged all over Europe and Australia and New Zealand.

However Bulldogs were always very much in the background and I would breed the

odd litter but because Utility and Working groups were often on different days showing was sadly limited I had to rely on other exhibitors to show although I hardly ever missed the Incorporated's BOY since 1970 so kept up with the latest winners. We did breed a bitch Champion who was BOY 2002 and another Champion in Greece who became an influential stud there and southern Europe. Also 2 other bitches with 2 CCs and 3 RCCs between them and 2 others with RCCs each and 2 young dogs with 2 RCC each owned by myself.

I am currently showing a young dog, Shiloh Rumpold, who is 7 generations homebred he is from our very last litter. This will be my 5th Breed Club Open show spanning 15 years and I am very much looking forward to it.

THE BULLDOG OF THE YEAR SHOW

42nd

The Bulldog of the Year is one of the most prestigious events in the Bulldog calendar, attracting visitors and exhibitors from near and far — the committee of The Bulldog Club Incorporated welcomes you!

All owners of Bulldogs who have won a Challenge Certificate in the previous 12 months are invited for their dog to participate in this prestigious event.

Three Championship judges are appointed to judge each dog individually. No consultation between the judges takes place. Each judge marks their placing on a card. Points are awarded for each placing. The first four places are announced, which are BOY Reserve Dog/BOY Reserve Bitch/BOY BOS and of course The Bulldog of the Year!

The dog awarded the title of 'Bulldog of the Year' will be featured on the front cover of 'The Bulldog' magazine which has a circulation of over 1600 copies and receives membership subscriptions worldwide. A portrait of the BOY title holder will also be placed in The Bulldog Club Incorporated album, joining the gallery of past BOY title holders and becomes part of the prestigious history of The Bulldog Club Incorporated BOY gallery.

It goes without saying that each and every dog invited to participate are all worthy contenders and without the commitment and support of the owners this event would not be possible.

The Bulldog Club Incorporated would like to extend our appreciation to all of you whether you are an exhibitor, supporter or coming for a fun day out with the family !

The event is fully reported in the canine papers and is also professionally captured on DVD which is available to purchase within 3 days of the show at a cost of £17 for mainland UK buyers – overseas postage will be extra.

Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Show will be held under Kennel Club rules & Regulations and every person making entries shall be aware of, and agree to abide by these.
21. No animal other than an exhibit shall be allowed within the precincts of the Show.
22. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
24. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
