Hans Bakker's Bulldog of the year OPEN SHOW critiques:

DOGS

Minor Puppy Dog

1 st. (54) "Hillplace Dead Ringer"

- Lovely overall 6 month old cobby, red/white puppy, nice brick shaped head with good length, open nostrils, dark eyes, wide and well turned up jaw, good length of neck, for a puppy this age a massive front, good bone, short body, super spring of ribs, nice roach which ends in a low set spike tail. Moves real good considering he's just a playful puppy.

2 nd. (40) "Albionpride Somebody New"

- Very nice 6-month-old red/white puppy, nice head with good length in skull, open nostrils, and clear dark eye. Would like to see a little more jaw to complete a well-developed head. nice square front with good bone ending in strong cat feet paws. Good body with nice spring of ribs, lovely topline which end in a loose, low set tail. Movement as you can expect from a puppy this age, love to see him being a bit naughty and giving his handler a "hard" time.

Puppy Dog

1 st. (15) "Avaword Tonto"

- 6-month-old bright red puppy, lovely typical puppy like head, lovely front, super nice bone, and tight cat feet. Could do with a touch longer neck, which end in a short cobby body with a well-developed topline which end in a little high set short tail. Movement very good.

Junior Dog

1 st. (44) "D'Or Wood the Edge of Glory"

- 16-month-old athletic type with a great head, good jaw, neat rose ears, clear dark eye, and just enough open nostrils. Lovely length in neck, good wide front, which I would have loved to see with a bit more depth in chest. Good short body, good spring of ribs, nice topline, good length tail, loose from the body. Would have loved to see a bit more angulation in the backend.

2 nd. (47) "Illusion White"

- 13-month-old white, well-developed youngster, head still puppy like waiting for further development, lovely dark eye, super nice pigmentation, nostrils just fine, lovely wide square front, plenty of bone and nice feet. Would have loved to see a touch more length in neck, good. Longer type, well developed body with nice spring of ribs, good topline ending in a nice longer well-set tail. Moves well.

Graduate Dog

1 st. (09) "Kinlockbulls Cartier"

- Lovely 2-year-old red/white male, massive head, lovely jaw, good open nostrils, clear dark eye, nice rose ears, good neck, massive front that needs a touch more depth, good bone, and strong feet. Well-shaped body, nice barrel ribs, good topline, moved well.

2 nd. (35) "Ragmarte Perfectly Splendid"

- 3-year-old red male with massive head, great futures as nice turned up lovely wide jaw, neat rose ears, wide square front that could use a bit more depth, good bone, nice tight feet, lovely cobby body, good topline, nice tail set, moves fine.

Limit Dog

1 st. (50) "Belstock Silvio"

- 1,5-year-old red/white male with a superb head, super nice wide jaw with a lovely turnup, beautiful length in skull, wide open large nostrils, clear eye and neat, well set rose ears. Nose wrinkle could have been a little less prominent, good stop. Lovely long neck that flows into a massive body that could use a little bit more of a roach. Lovely square and wide front with plenty of dept and strong bone with lovely tight cat feet. Super spring of ribs, lovely tuck up and a nice low set straight tail. Movement very strong with a great drive. A pleasure to give him the highest honour's today, but my, oh my, it sure was a difficult decision to make! BD & BIS

2 nd. (17) "Testwood Total Eclipse"

- 14-month-old red/white male, very similar in type as the class winner, lovely head, jaw, eye and open nostrils and neat rose ears, would have loved to see a little less nose wrinkle. Nice length of neck overflowing into a massive body that could use a little more roach. Massive front, which could be deeper, with great bone and nice tight cat feet. Moves nicely.

Open Dog

1 st. (45) "D'Or Wood Thession"

- 18-month-old white cobby male with a strong head, open nostrils, clear dark eye, super nice pigmentation, and all of that combined with a good length of neck, square wide front with lovely bone and small tight feet. Nice body and roach ending in a tail that I would have loved to see a bit longer, well barreled ribs, compact overall type with quick movement.

2 nd. (43) "Rosebulls Ralph"

- 13-month-old red/white male, lovely proportions in head and body. This boy must have a great home, he's looking well-fed fed. Nevertheless, a great head with clear dark eyes, neat rose ears, lovely jaw but nostril could be slightly larger, this all on a massive neck with good length, a cobby body with barreled ribs, nice tuck up and good movement.

BITCHES

Minor Puppy Bitch

1 st. (21) "Avaword Gwenno"

- 6-month-old red/white puppy with all the required feminine features, lovely brick shaped head with plenty of length, clear dark eye, little neat rose ears, broad muzzle with dark pigmentation, good stop, nose with large open nostrils, wide and well turned up jaw with great length. Strong neck with super nice length which flows into a strong cobby body with a perfect barreled rib case and a supernatural deep and wide front, super bone for age, nice tight cat feet, lovely roach, overflowing into a super nice backend with nice angulation. Nice loose tail and nice and quick movement. She stole my heart, and it was quite a difficult decision for BIS! With pleasure BPB, BP, BB & res. BIS

2 nd. (22) "Urban Legend Del Caliborso"

- 7-month-old red feminine puppy with a nice brick shaped head, lovely dark and clear eyes, good muzzle with lovely dark pigmentation, nose with open nostrils, good wide jaw with nice turn up. Good length of neck, nice roach, good, barreled ribs, good rear end with nice angulation, good tail, and lovely movement.
